### **Payment Policies**

- There will be no refunds issued.
- If your payment is received before the 10th of payment months (September, November, January, March, and May) you will receive a \$10 discount off of each family member's group class tuition (taken before percentage discount is applied).
- Private/semi-private lessons are not discounted.
- Please use the provided payment envelopes and payment box.
- Beginning the 11th (of payment months) full tuition rates apply. No exceptions!
- Tuition that is more than one month late will be subject to additional fees.
- Bills and/or tuition statements are not routinely sent, but reminders will be in each newsletter.
- Parents should anticipate the need to pay a deposit of \$25 per dance costume, with tuition in November (\$30 for competition class costumes).
- The recital fee is due with tuition in March. The recital fee for a family with one dancer is \$35, two dancers \$50, three dancers \$60.
- In May you will receive an invoice for costume balances & the final 1/2 tuition payment.
- There will be a \$20 charge for returned checks and tuition will be re-billed at the regular rate.

I am interested in paying by credit card if/when the option becomes available.  
(Leave box blank if you prefer to continue to pay by cash or check).

I have read and understand the new Jody B's Studio of Dance payment policies.
